New Concepts

- Humanism – a Renaissance cultural revival of ancient Greek and Roman thought, including:
 - Grammar, rhetoric, poetry, moral philosophy, and history
- Fresco – painting done on fresh, wet plaster with water-based paints
 - Helps give depth to paintings
- Perspective – allows for a “3D” effect that Medieval art lacked. Depth.

Results of the Renaissance

- Education became more **secular** – less emphasis on religion.
- More people were being educated in history, grammar, writing, literature, and the arts
